

annual convention due to low course enrollment, unexpected cost increases by provider, failure to secure training site or equipment required to operate contracted courses safely and to standards (NFPA, MOL...etc.)

2.5.6.1.5

-The Education & Prevention Chairperson / Board of Directors reserves the right to cancel or halt training courses at their discretion by companies / individuals, if they feel student safety is of concern.

2.5.6.1.6

-The Education & Prevention Chairperson shall inform companies / individuals wishing to provide hands on training (HOT) courses at the annual convention of “after training workplace clean-up” and that workplace must be cleared of all debris

2.5.6.1.7

-The Education & Prevention Chairperson shall negotiate with companies / individuals an agreement, as to who will provide student lunches, coffee or water prior to contract approval by the Board of Directors

2.5.6.1.8

-The Education & Prevention Chairperson shall immediately inform the Board of Directors with any conflicts or disputes regarding companies / individuals contracted to provide hands on training (HOT) courses at the annual convention.

2.5.6.1.9

-The Education & Prevention Chairperson shall negotiate with companies / individuals an agreement, as to who will provide student certificates upon completion of training, prior to contract approval by the Board of Directors
